ROUTER SERIES

Edging Out The Competition...

A Router With You In Mind

Sioux has produced a router program that truly focuses on operator comfort and productivity. The Signature Series Router Line features a heavy-duty three piece double tapered collet and a 1 HP motor that delivers both speed and accuracy with a free speed range from 18,000 to 25,000 rpm. The contoured throttle lever with lock gives the operator simple, one-hand operation while the ergonomic, composite handle with textured soft grip makes handling these tools truly comfortable. Add a light weight housing and you have a tool perfectly designed for all of your woodworking, fiberglass, plastic and boat manufacturing needs.

The Signature Series

Inspired by the operator, designed by Sioux Tools. Since 1914, Sioux Tools has been committed to bringing productive solutions to the pneumatic power tool industry.

Signature Series is an innovative pneumatic power tool program created through the implementation of next generation ergonomics, productivity enhanced features, value and accuracy.

Through industry research and operator input, we have engineered a program that truly delivers tools for the way you work!

Light weight aluminum reinforced nylon housing

Ergonomic, composite handle with textured soft grip

1 HP motor

Adjustable base

Contoured throttle lever with lock
